ASPIRING TALENT AQUISITION

A.T.A ANALYTIQ PVT. LTD.

ABOUT US

We are A.T.A. Analytiq, a software company founded in 2021 that offers a range of high-quality services to clients all across the nation.

Our passionate and proficient team offers services including website creation, app development, Web and email hosting, digital/social media marketing, SEO, graphic design, logo design, and more. We put in relentless effort to make sure that our clients may prosper in this new technological era. We have provided service to more than 100 satisfied clients around the nation and we look forward to offering them originality,creativity and expertise in future.

OUR VISION

We wish to put all our endeavor to transform companies and organizations into digital enterprises. Our vision is to make them stand out in the crowd. By growing their business into a more profitable one in affordable price and quality service, we want to become a leading IT company.

OUR MISSION

We strive to enhance the business growth of our clients. We want to make them adaptable to the requirements of this era.

In order to make a presence online, one must have his own website or domain on the internet. We provide personalized service regarding this matter and our goal is to keep providing them better solutions according to their needs.

WE ARE BECAUSE YOU ARE.

OUR SERVICES

RESPONSIVE WEBSITES

A website is a must to increase the credibility of your brand or company. We offer you all 3 types of websites i.e. Static Website, Dynamic Website and E-commerce Website for brand awareness, information and sales purposes.

MOBILE APPLICATIONS

Making an App helps to reach out to more customers that ultimately helps to get a high ROI. We make Apps for both Android and IOS to help in your brand's growth.
